## SINCERE

We strive to come across as credible and believable. It's about building trust.

We believe in authentic experiences. Don't be fake or promotional. Avoid false enthusiasm and superlatives. Be honest and down-to-earth. Let the math and the stats do the talking.

## OPTIMISTIC

Nift believes in what's good about the world. Spread positivity. Don't be derogatory or sarcastic. Say thank you. Be grateful. Highlight hopeful outcomes.

## COLLABORATIVE

We like partnership and teamwork. We use inclusive language, seek input and feedback, and celebrate collective efforts.

## RESPECTFUL

Clear, simple. Low jargon. Direct. Accessible. Concise. We respect our readers, their time and their intelligence. We answer questions before they're asked, and don't get in the way of their actions. We are intentional and thoughtful with every word.

## JOYFULLY HUMAN

We are real people—positive and fun. We keep content conversational, but we never let our personality overwhelm. We write with a smile and add surprise and delight when the moment is right, without being overtly cheeky.

# Logo Guidelines

Our primary logo is a simplified Nift gift card. The phrase "neighborhood gift" has been dropped as our offering has evolved and Nift continues to grow.

# Primary Logo

Nift is a registered trademark. Use of the word Nift should include an ® on first mention, either in copy or as part of a Nift logo appearing on the page.

When used in text, Nift should always be capitalized. It serves as both the name of the company and our product (i.e. Nift Networks, Nift gift or Nift gift card).

Our primary font is Open Sans. We use it in all weights. Our typography is meant to be inviting, friendly and accessible.

# Select light or dark mode.

**KEEP ALL-CAPS CONCISE**

We use all caps when we want to call attention to short headlines or stats. Our body copy is Open Sans regular, and no smaller than 16pts.

# It's #10253f

In legacy body copy, or
text that is quite small, you
